LOT LINE ADJUSTMENT INFORMATION SHEET AND APPLICATION

Fees: **\$2,670.00*** (L633/L697) (L632/L697 *this includes a \$25 Job Closure fee, which is not applicable when application submitted electronically through the ePlans system.)

The County Development Code requires a Lot Line Adjustment approval when a property owner wants to adjust the lot line between at least two, but no more than four, adjacent parcels. In a Lot Line Adjustment, land is taken from one parcel and added to an adjacent parcel. No additional parcels may be created and the number of parcels may not be reduced.

Typical reasons for a lot line adjustment include:

1. Elimination of existing encroachments.
2. Meeting the minimum area requirements of the Development Code.
3. Meeting building code setback requirements.
4. Accommodating topographic features.

The Director of Land Use Services approves Lot line adjustments. Any interested party may appeal the decision of the Director prior to the effective date of the decision. Before approving a Lot Line Adjustment, the Director must be able to make the following findings:

1. The proposed lot line adjustment is consistent with the San Bernardino Consolidated General Plan, Development Code, and any Specific Plans.
2. The proposed lot line adjustment will not adversely affect public health and safety.

Please use this information sheet as a checklist to assemble the materials required for the submittal of your Lot Line Adjustment application and bring it with you when you submit your application. An appointment is not required to submit your application; however, appointments are available upon request. If you wish to schedule an appointment, please call one of the numbers listed above.

CHECKLIST OF SUBMITTAL MATERIALS

Please use this checklist as you assemble the materials for the submittal of your application. County staff will use the checklist to determine whether your application is acceptable for submission. **If your submittal package does not contain all of the information listed below, your application will not be taken in and receipted for processing.** If you have any questions about the items requested or if you wish to obtain information on processing schedules, please call the Application Intake Center at (909) 387-8311 or (760) 995-8140.

Section D – Plot Plan –Please refer to the Information Sheet package titled "Property Plot Map" for format and information required. **If the plan is not legible or does not contain the necessary information, your application will not be accepted for processing.**

PROPERTY PLOT PLAN INFORMATION SHEET AND BLANK PLOT PLAN

Certain applications processed by the County such as Lot Merger, Lot Line Adjustment, and Parcel Map for Parcels 20 Acres or More require a Property Plot Plan to be submitted with the application. This package of information provides a checklist of information for the Property Plot Plan, several examples, and the blank plot plan that must be used.

PROPERTY PLOT PLAN CHECKLIST

The property plot plan consists of two sections. The upper portion is to include your drawing, in black ink, at an accurate scale appropriate to show all the details of your proposed lots. The scale you use should be a standard engineering scale (1 inch equals 10 feet, 20 feet, 30 feet, 40 feet, 50 feet or 60 feet) or one of these increased by a multiple of ten (e.g., 1 inch equals 20 feet, 200 feet or 2,000 feet) so that the parcel fits neatly within the space provided. (See attached sample property plot plans as a guide.) The lower information portion of the application asks necessary questions regarding the application, answer the questions.

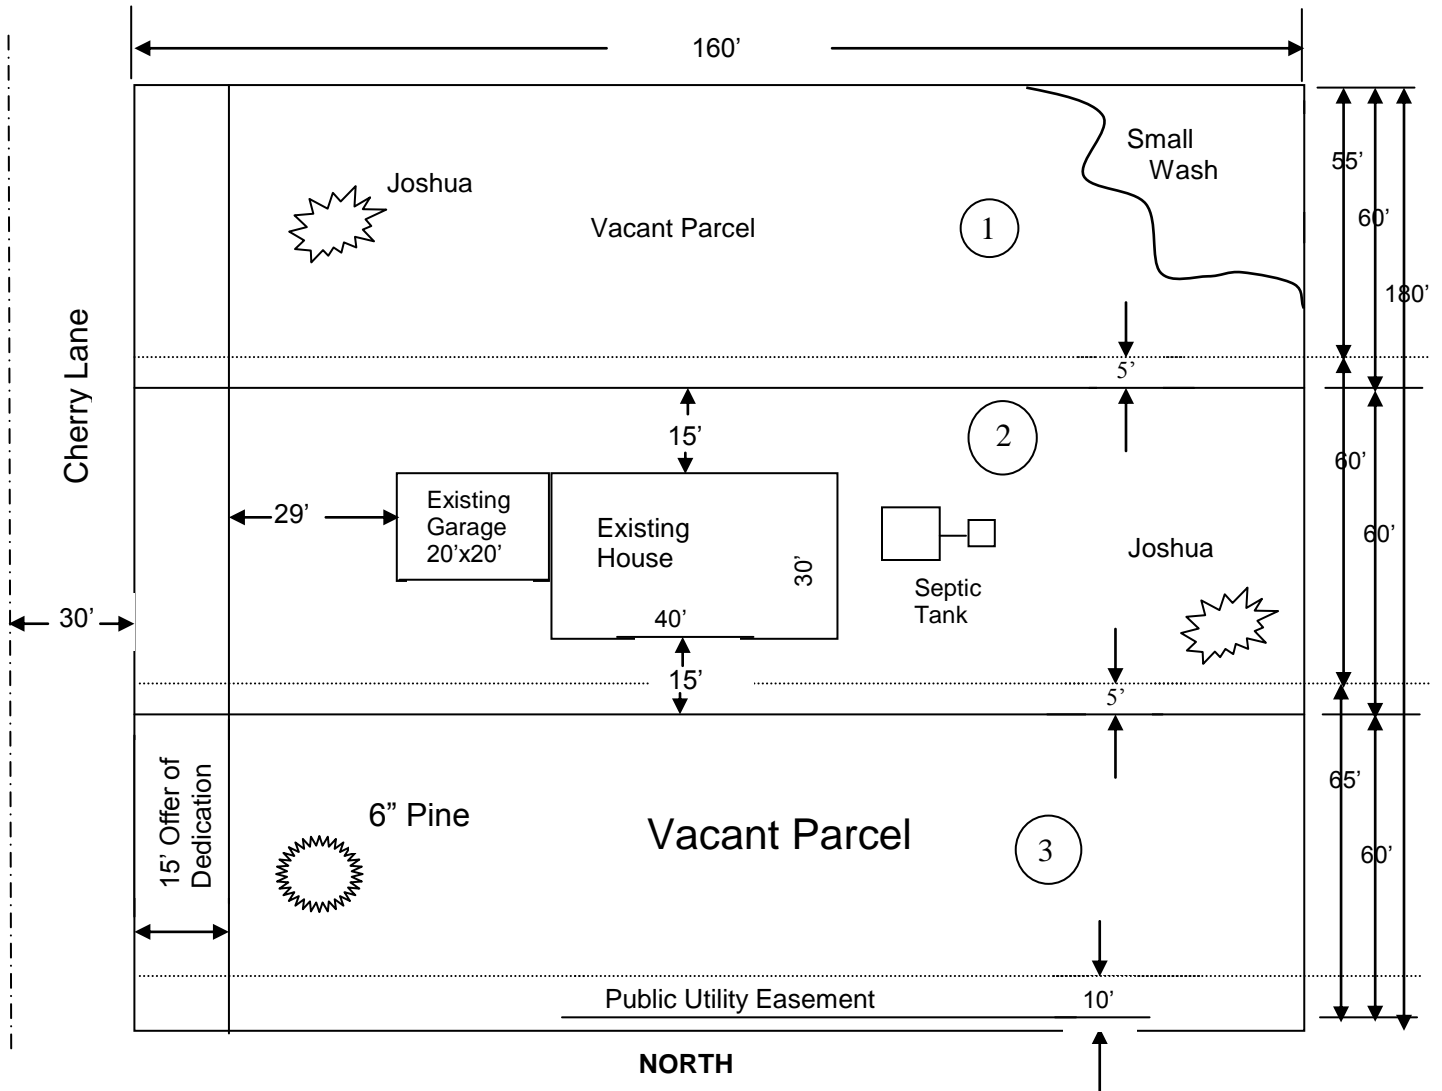

PLAN PORTION

1. Plan should be drawn so that "north" is to the top of the Property Plot Plan Form. Write the scale of the plot plan under the north arrow provided.
2. Delineate the location and dimension the lengths and widths of the following:
 - (a) Existing property lines for each lot or parcel. Existing lot lines that will not remain should be shown as a dashed line. Place a dashed line around each combination of lots to be merged.
 - (b) Existing rights-of-way for all abutting streets. ALSO indicate names.
 - (c) Existing street and drainage improvements (paved, dirt, etc.).
 - (d) All existing easements for drainage, public utilities, access or encroachments.
 - (e) All underground structures including septic tanks, leach lines, seepage pits. If none, indicate method of sewage disposal.
 - (f) All storm drains and wells.
 - (g) All existing structures. In addition to dimension of structures, indicate the distances between structures and between each structure and the nearest existing or proposed property line. Also indicate the use of each structure and any that are to be removed. If none, indicate "vacant" on the plan.
 - (h) Indicate location of any topographic conditions (hills, canyons, water courses, known seismic fault areas, etc.). If none, indicate on plan that no topographic conditions exist.
3. Compute and record the net lot area in square feet or acres for each new proposed lot and include a new Legal Description.
4. If commercial and/or industrial structures are existing and to be retained and utilized, show all parking facilities and driveways.

INFORMATION PORTION

5. Applicant's name and phone number.
6. The number of lots to be created.
7. The Assessor's book, page and parcel number(s) of the existing parcel(s).
